# Countless German Works Destroyed; Other Enemy Positions Made Untenable BUDGET GREATEST By Furious Three Weeks Bombardment

French Official Statement Gives Reasons For Recent Cannonading Along Western Front—Day and Night
Storms of French Shells Descended on Enemy Communication Trenches, Encampments, Bridges and Supply Columns—Germans Use Poisoned Gas Bombs
Against Russians South of Dvinsk.

Times Petrograd Correspond

Against Russians South of Dvinsk.

By Bulletin Leased Wire.

PARIS, Sept. 21—Countless German works were destroyed, other enemy positions were made untenable, and the way paved for a possible Angle-French offensive movement by the furious bombardment of the past three weeks all along the battle front of the past three weeks all along the battle front of the reasons for the camonade which for charaction ratio moment of shells poured in upon the enemy's trenches surpassed any previous artillery storm of the war.

"These heavy artillery actions along the entire front resulted in the destruction of divers enemy works," says the statement. "The camonades, often unaccompanied by infantry attacks, were intended to destroy worrisone enemy positions and nitrallenses, denoish enemy consumments, of the manner of the property of the companies of French shells descended upon the enemy communication trenches, encampments, bridges and supply columns. The effrency of the French fire throughout the bombardment was proven by the reports of our aerial observers, who constantly flew along the front noting the results of the camonades, German nost serious.

"The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition exchaeded proves the resources of "The amount of ammunition to the content of the con

prisoners also admitted that the treatment of the most serious, most serious. The amount of ammunition expended proves the resources of France in shells. The incessant activity gave assurance that a war of attrition could continue with small losses for our forces."

Amid the diverting influences of the war, woman's suffrage, and the power plant, let us not forget to swat the sow thistle as oppor-tunity offers.

whether exclusive or not, shall require for radiocation the surgeons with the control of the properties of the propertie

ary loans, and circulation of this surement of the surement of at.

This district was hit very bad last year and had a very boor cron in 9312. Therefore the farmers were in very bad shape this spring and hearit all had to have assistance from the government. Nearly every man doubled his area in

The point is not whether Germany is prepared to make peace, but whether we are prepared to make peace on Germany's terms.

Premier Sifton's proposal to give the Alberta woman a vote is not based on the idea that she needs it so much as on the fact that she is entitled to it.

The hope of the allies is that the storms of winter will drive the Germans out of Russia. And the hope of the taxpayer is that they will also drive the passengers out of the frigidity of the jitney into the warmth of the street ear.

Sir Richard McBride objects to the Toronto Globe calling attention at this time to the way the people of British Colum-bia have been plundered of their way the people of British Colum-bia have been plundered of their provincial property. He has rea-son. The recital of what has been done to British Columbia reminds one too painfully of what the Ger-mans, did to Belgium to be pleas-ant to any chivalrous knight.

to swat the saw thistle as oppor-tunity offers.

Section 227 of the city caarter says every bylaw for "Granting tio any telephone syndicate or "company, or gas or electric light or power syndicate or company, or street railway syndicate or whether exclusive on micro and the same of two thirds of the birgests of twelther exclusive on micro and the same of two thirds of the birgests of two thirds of the birgests of the street of the street of the street of two thirds of the birgests of the street of the street of the street of two thirds of the birgests of the street of the street of the street of traffic can bear."

# **以初次次次次次次次次次** "And his family were sold into bondage" When he died the creditors and the holder of the mortgage on the farm seized-everything. The family drifted to the city: the girls went into service; the boys got jobs on the street railway—the old home and farm passed into strange hands. An insurance policy in the Canada Life would have held together the home that meant so much to that man's family, But he neglected it—and they were left to pay the price of his neglect.

A policy for sufficient to protect your home will cost comparatively little. Having it, you will know you have done your best for those you love. It will be sure protection for them, and a good investment for you if it be issued by the t

## We've Got Them All Beaten for Style and Utility in Our New Fall and Winter Coats at \$15.00

HEAVY BLANKET CLOTH COATS, in brown or grey check, with loose two-piece belt across the back; collar is squankack, rolling up as close to the neck as desired. Two patch pockets, one side, and fancy bone button fasteners. Price.

PRACTICAL MODELS OF HEAVY ENGLISH TWEEDS, in fine stripe effect, browns or greys, straight ripple -effect, with high convertible collar, belted in across the back with loose two-piece belt, and trimmed with patch pocket. \$15.06

materials, in all the new Fall colorings, at \$12.50.

## Two Remarkably Good Values in Boys' "Wearbetter" Suits, With Two Pr. Pants, at \$10.50 and \$13.50

\$10.50

\$13.50

P ARENTS who are familiar with the sterling qualities of "Wearbetter" Clothes never begrudge our prices. Experience has proven to their complete satisfaction that after all they are the cheapest clothes to buy.

They "Wear better," "file better" and "look better" than ordinary clothes; therefore, they are the cheapest in the end, and are quite deserving of their branded name. Another point concerning "Wearbetter" Suits worthy of special consideration is the fact that they have two pairs of pants and belt. Two remarkably good values in the new fall lines are mentioned below.

The \$10.50 Line Is of Navy Blue Serge

serge. Coats with hand-built shoulders.
fitting collars and unbreakable fronts. Two
of well-shaped bloomer pants and belt with
suit. Sizes 28 to 36. Special value...\$10.50 The \$13.50 Value Is in a Fine Grey English Worsted

Youths' Long-Pant Suits at \$8.50 to \$16.00
